Elba's Derick Thomas enjoying senior year as starting long snapper for Troy Trojans

by Linda Hodge, Editor

Elba's Derick Thomas started all 12 games as the long snapper for the Troy Trojans during the 2007 football season. He returns this year in his senior season as the starting long snapper for the Trojans and may also see some time at tight end.

Thomas walked-on to the Trojan team in Spring 2005 and worked to earn the backup spot as long snapper in 2006. After the starting long snapper graduated in '06, Thomas said he earned the #1 spot as long snapper and received a football scholarship.

The Trojans opened the 2008 season with a win against Middle Tennessee, and the next scheduled game (LSU) was postponed due to Hurricane Gustav. That game has been rescheduled to Nov. 15th. Last Saturday, Sept. 13, the Trojans played their home opener for the 2008 season at Movie Gallery Stadium in Troy. In front of a crowd of more than 22,000 fans, the Trojans dominated the Alcorn State Braves with a 65-0 win.

Prior to last Saturday's game, Thomas said he was looking forward to the opening home game and felt it would give the Trojans a chance to get better as a team. He said the game would allow the team to work on areas that needed it.

While these days Thomas spends the majority of his time on the field as long snapper for the Trojans, he saw action in several different positions in high school. As standout player for the Elba Tigers, Thomas played on the offensive and de-

Derick Thomas
Troy Trojans (#42)

fensive lines but also served his team at times as linebacker, tight end, kicker and fullback. During his high school career, he recorded 65 tackles including nine for losses and received the Earl McCollough Memorial Award for pride and dedication.

Derick Thomas (#42) serves as the starting long snapper for the Troy Trojans. He says he is living a dream to play college football, and he plans to soak it all up in this his senior year. Derick is the son of Freddie and Deanne Thomas of Elba.

BOE

She added that the board also might need to look at an additional gym area in with these additions at Zion Chapel.

After the additions at Zion Chapel, the next item on the Capital Plan looks at bathroom renovations at the schools.

Board members approved the capital plan as presented but noted it is a work-in-progress

and can be changed at any time as needs see fit. After board members approved the Capital Plan, Dr. Ingram did note that since 2005 the Coffee County School System is nearly at spending approximately \$10 million on the school facilities with no debt service.

Board members also approved a couple of personnel recom-

mendations from the superintendent last Thursday. Both involved support personnel and included:

- Accepted the resignation of Bobbie Williams, instructional aide at Kinston School.

- Granted permission to advertise for a highly qualified instructional aide at Kinston School.

Elba City Council votes to increase bank loan amount

by Ferrin Cox, Publisher

The Elba City Council voted Monday evening, Sept. 22, to redo a recent bank loan and add \$200,000 to the principal.

The extra funds will be used to catch up payment of sales taxes collected and earmarked for the local schools. The council also approved a bank required resolution on the extension of the Tiger Park loan. A recently announced cash grant for this project has not yet been received and will be applied to the debt upon receipt.

Mayor James Grimes explained to council members that the City had fallen behind on transferring the sales tax to the schools when rising cost of electric power and some unexpected operating expenses during the past year prevented the Water and Electric Board from transferring some anticipated

(and budgeted) funds to the city coffers.

A recent problem with fire trucks responding to a house fire required renaming of what is now two streets. Dunham Street was cut into with the Beaver Dam Creek clearing project and the large gap resulted in only one access to each section.

The council accepted the 911 Board recommendation and named the two streets: Dunham Street, South and Dunham Street, North. Dunham Street South can be only be accessed from Hickman Avenue (Dorsey Trailers end of street) and Dunham Street North can be accessed only from Martin Luther King Drive.

City Clerk Wayne Grantham reported a scheduled electric power outage in downtown Elba on Sunday, Sept. 28, after 9 p.m. Replacement of a power

pole will require this power outage.

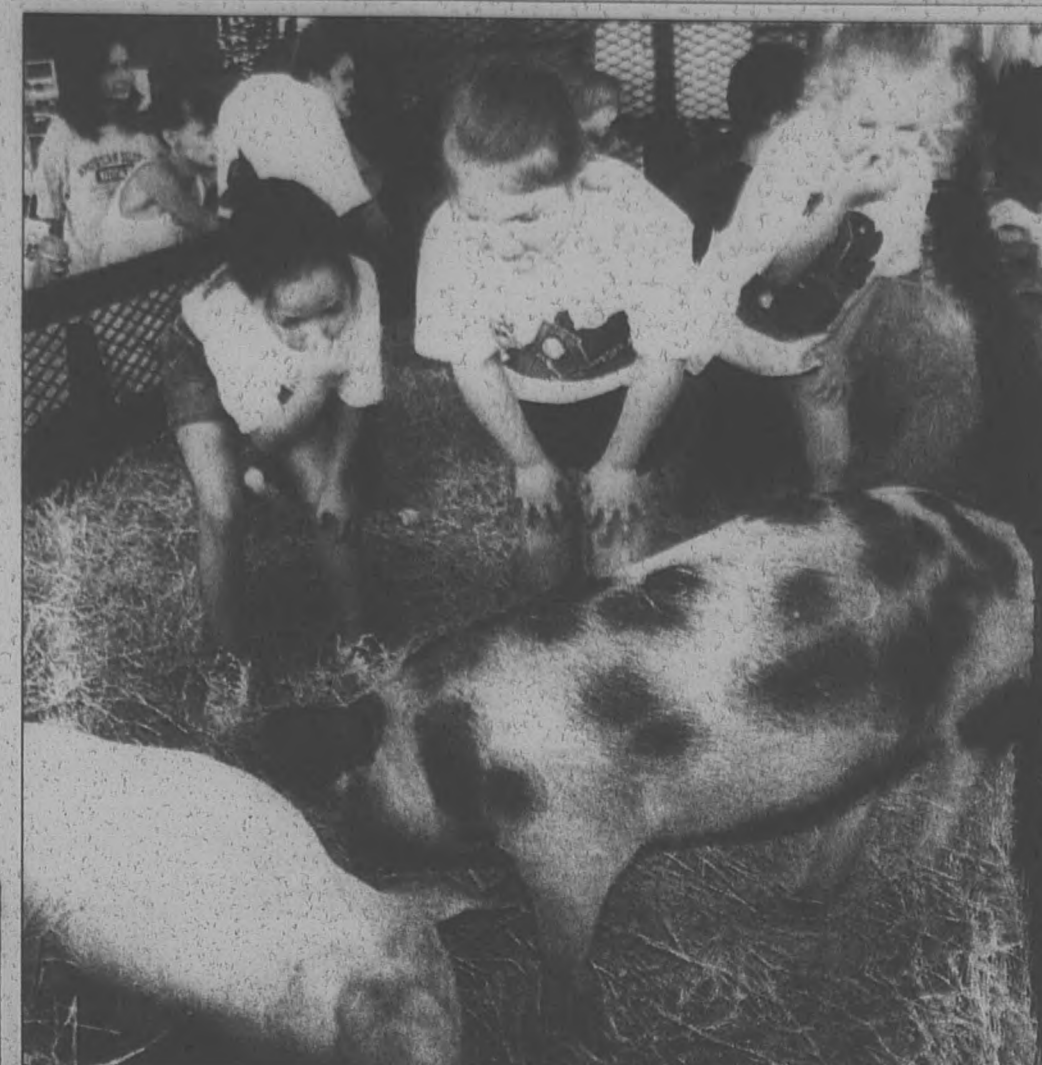

Those businesses (and maybe some homes) impacted will be notified.

Mayor Grimes discussed the proposed budget for the next year and referred to a draft in each councilmember's packet. He proposed a workshop for 5:30 p.m. Monday, September 29 to go over this budget. Council members agreed to this timetable.

Grimes also announced that the swearing in of the new city government will be at 8:30 a.m. on Monday, Nov. 3.

Councilman Tom Hooks reported the need for street paving and/or patching on Martin L. King Drive.

Assistant Police Chief John Nelson reported to the council that the department had only routine activity during the past several weeks.

WHAT'S THAT SMELL?...Elba Elementary School kindergartners got a firsthand "smell" of the farm earlier this week when they attended the annual Farm-City Petting Zoo held on the grounds of the Coffee County Farm Center in New Brockton. The Elba students were among nearly 1,200 participants that visited the Petting Zoo on Tuesday, Sept. 23, and Wednesday, Sept. 24. The event is highly anticipated each year as youngsters get a chance to learn more about agriculture and "where their food comes from." The students were able to pet animals such as dairy cows, horses, goats and pigs during the petting zoo. They also had an opportunity to hold baby chicks. Above: Elba kindergartners Kate Hudson, Ivie Thomas and Michaela Moseley draw near for a closer look at the pigs. put they use extreme caution as they anticipate the small commonly associated with these animals. For additional scenes from the Elba Elementary School kindergarten class visit, see Page 12.

During Coffee County Commission meeting

County engineer gives update on County Road 359 paving project

by Linda Hodge, Editor

During the Coffee County Commission meeting held Monday, Sept. 22, Commissioner Linda Westbrook asked for and received an update on the paving project of County Road 359.

County engineer Randy Tindell said the project is probably about 70 percent complete (as of Monday morning). He said it was his hope to have the remainder of the prime down by the end of this week and the rest of the paving completed by the end of next week. At that point, Tindell said there would be some other cosmetic details to complete before the project is entirely finished.

Westbrook commended Tindell and his department for the great job they are doing in regards to this project.

Ft. Rucker's Deputy Garrison Commander George Steuber speaks during last week's annual chamber banquet in Elba.

THE ELBA CHAMBER OF COMMERCE thanked four individuals for their longtime dedicated service as board members last Thursday evening, Sept. 18, during the annual chamber banquet. Doris Matthews, Mary McMillan, Tonya Jones and Kenneth Calhoun are rotating off the board after several years of serving on the board of directors for the Elba Chamber of Commerce. Each was recognized and presented a plaque by board president Eddie Vaughan during last Thursday evening's banquet. Those pictured above include (from left) Doris Matthews, Eddie Vaughan, Mary McMillan and Tonya Jones. Not pictured: Kenneth Calhoun.

Elba salutes Ft. Rucker during annual chamber banquet

by Linda Hodge, Editor

Members of the Elba business community gathered Thursday evening, Sept. 18, at the National Security Conference Center for the annual membership banquet.

The theme for this year's banquet was "Ft. Rucker...We Salute You" as those in attendance also welcomed Deputy Garrison Commander George Steuber to the event. Steuber delivered a rousing message from Ft. Rucker to the people of Elba.

Prior to the start of last Thursday's chamber banquet, Steuber said he walked around the Veterans Memorial Park and viewed the military memorabilia inside the conference center.

"You haven't forgotten this is a nation at war," Steuber said. "The memorial says to us at Ft. Rucker that you remember us."

He said the soldiers in the United States military are not fighting a war to bring war. In-

stead, he said they are bringing peace.

Steuber said Ft. Rucker is a happening place with more than 1,200 pilots trained there every year. He said pilots train day and night at Ft. Rucker to best prepare them for their job.

Steuber also said Ft. Rucker has more airfields than any other institution in the Army.

As is common with the chamber banquet, the 2009 officers and directors were introduced. The 2009 officers include: Eddie Vaughan, president; Herby McCall, vice president; Mary Gray, 2nd vice president; Melissa Flowers, secretary; Lynn Baker, treasurer; Denise Sauls, ex-officio; and Linda Hodge, public relations director. The board of directors also includes: Jerry Kelley, Laurie Chapman, Daniel Stephens, Josh Wilson, Jim Goodson, Michael Moseley, Jennie Clark, Paul Barnes, Christina Nelson, Dinah Cop-

Area Happenings

THE 2008 HIGH SCHOOL FOOTBALL SEASON continues Friday, Sept. 26, with the Elba Tigers traveling to Geneva, the New Brockton Gamecocks hosting Arton, the Zion Chapel Rebels hosting the Kinston Bulldogs and the Brantley Bulldogs traveling to Highland Home. Kickoff for all games is set for 7 p.m.

THE ZION CHAPEL HOMECOMING PARADE will be held Friday, Sept. 26, at 1:30 p.m. Anyone interested in having a parade entry needs to contact Zion Chapel High School at (334) 897-6275 to obtain an entry form. The entry form needs to be returned before Sept. 19. No candy or toys should be thrown from the parade entries. Violators will be asked not to participate in the future.

ZION CHAPEL SCHOOLS will celebrate Homecoming Friday, Sept. 26. Prior to the football game, an Alumni Hospitality Tent will be set up next to the ticket stand beginning at 6 p.m. All Zion Chapel Alumni are invited to visit the tent.

MEMBERS OF THE ELBA VOLUNTEER FIRE DEPARTMENT will conduct their annual MDA Boot Drive on Saturday, Sept. 27, from 8 a.m. until 12 noon. The firemen will be located at various intersections within the City of Elba collecting funds for MDA (Muscular Dystrophy Association).

THE COFFEE COUNTY DEMOCRATIC PARTY will hold a meeting Tuesday, Sept. 23, at 7 p.m. in the community room at the New Brockton Farm Center. Local candidates will be speaking. Everyone is invited to attend. For more information, call Eddie Vaughan at (334) 897-2273 ext 209 or 897-0305.

Westbrook also commended maintenance supervisor Phil Rugg and his department for the work done to complete the shed at the Zion Chapel Senior Center. She said the shed looks good.

Commissioner Robert Stephens got the support of his fellow commissioners Monday morning when they approved a motion made by Stephens to hire Lawford Construction Company to do some work at the Coffee County Courthouse in Elba. The work will include cleaning of gutters, along with

some sandblasting and painting work. While the county will supply the materials, Stephens said Mr. Lawford agreed to do the work for \$3,500.

Upon the request of Sheriff Dave Sutton, commissioners voted to allow him to sell several pieces of scrap metal. The sheriff said he will sell the scrap metal for the best price he can find, and the money will go back to the general fund.

Chief Deputy R.W. Whit-

Please See CCC, Page 16

THE COFFEE COUNTY COMMISSION unanimously passed a resolution Monday, Sept. 22, recognizing the week of Sept. 21-27 as Resource Conservation and Development (RC&D) Week. Currently, there are nine RC&D Councils in Alabama. Above, commission chairman Tom Grimsley (right) presents the resolution to fellow commissioners Bernest Brooks and Linda Westbrook. Brooks and Westbrook represent Coffee County on the local RC&D Council.

Resource Conservation & Development Councils celebrate national RC&D week

Alabama Resource Conservation and Development (RC&D) Councils join the 375 RC&D Councils across the nation in celebrating "RC&D Week" September 21-27. RC&D week was declared in recognition of the anniversary of the designation of the first ten RC&D areas. In the past 44 years, the program has grown from ten designated areas to 375 designated areas that cover over 85 percent of the United States and its territories.

The RC&D Program is a voluntary program administered

Last year, Alabama RC&D

LIFESTYLES

Pictured above are (l to r): Brandi Dean, President of the Elba Kiwanis Club, Judy Morgan, Head Secretary, and Larry Blakeney, Head Coach of the Troy University Trojans football team.

Troy University Head Coach Larry Blakeney is special guest speaker at Kiwanis Club meeting

On Thursday, September 11th, the Elba Kiwanis Club held their meeting with special guest, Troy University Head football Coach Larry Blakeney as the guest speaker. Coach Blakeney spoke to the club about growing up in a small

town like Elba, as he is from Gordo, Ala. and how those who grow up in a small town are basically raised by the community, because everybody knows everybody. Blakeney also shared a few humorous stories with members of the club.

The regular monthly meeting of the AARP was held September 16

The regular monthly meeting of the Elba AARP was held September 16, 2008 at the Elba Senior Center. Presiding was President Bob Hahn, who welcomed everyone and introduced guests, Janice Bell, and Bill & Edell Warren. Prayer was led by Bill Warren, and Bob Hahn led in the Pledge of Allegiance to the Flag.

The hostesses were Evelyn Hocutt and Mack & Mary Donaldson. Members were reminded to pray for Jim Gilmer, while attending his critically ill mother in NC.

Elected members of the nominating committee for 2009 officers were Edna Smart, I'Belie Oggs, and Olive Ray Martin. They will have the slate of officers ready for voting in November.

The speakers for the program were Jim Coles and Raza (Ray) Razai. Jim gave a power point presentation of his work in Afghanistan. It showed the National War Memorial dedicated to Afghanistan who lost their lives over the last 30 years.

Afghanistan is really hot desert land in summer and very cold desert land in winter. It is about as big as Missouri and Illinois combined. The Taliban has controlled it for 28 years. They are now building a new nation under the new Afghanistan National Army that is being trained and equipped by US-NATO. Jim told how the US Alliance swept through in 6 weeks, and the Taliban left. The threat today is another group of fighters that were chased out of Iraq. They are now hiding in Pakistan, where the problem must be solved before going to neighboring countries.

Raza (Ray) was born in Afghanistan, but his family moved to Iran when he was very small. As a 2-year refugee in Iran he was not able to get educated. As a young man, he went to Pakistan and worked there for a few cents a day. When the Taliban caused the country to collapse Ray went back to Afghanistan after 25 years and found Kabul in destruction. Searching for a job for months, he was hired by TV networks as a translator. He was then referred to the Youth Troops Organization, where he found Jim Coles, working with the US Alliance. He served as an interpreter for Jim, and was enabled to come to the US on an Immigration Translator Visa.

The floor was then opened up for questions from the group. AARP's next meeting will be on October 21, at 6:00 p.m. Everyone is encouraged to come visit.

SCHOOLS

Students take high school graduation exam

by Lanchessia Cross

The Alabama High School Graduation Exam (AHSGE) was administered last week, September 15-19.

The AHSGE is required by the Alabama State Department of Education, and every public-school student in the state must pass it to graduate. The test is made up of five parts.

All students must take reading, language, math and social studies. In addition, this year's seniors must take the science section who other grade levels take the biology section.

The exams were given to seniors who have not passed all parts of the exam. Seniors will have a total of three times to take the test this year, including once in December and once in March.

Additionally, 10th grade students who have already completed Algebra had an early attempt at the math portion.

In order for a student to receive an Advanced Diploma or a General Diploma, he or she

must pass all five subject-area tests of the AHSGE and earn 28 units of credit.

As of this year, if a student has earned all credits required for graduation but not passed all parts of the AHSGE after the spring administration of his/her senior year, he/she can still receive a diploma. That diploma is called a Credit-Based Diploma. In order to receive the Credit-Based Diploma, the student must pass the reading and math subject-area tests and one other subject-area test.

In March, all sophomores will be able to take all parts of the test.

Teacher Spotlight

by Richi Singletary

This week's Teacher Spotlight is **Phillip Adcock**.

Adcock is the automotive service technology teacher at Elba High School. This is his first year teaching.

Adcock is a graduate of Elba High School's Class of 1993. In 1994, he graduated from Alabama Aviation Technical College.

Before becoming a teacher, Adcock worked in his family business, Larry's Paint and Body Shop, owned by his father, Larry Adcock. While employed there, Adcock did auto body repair, automotive service, auto restoration, and car stereo installations.

When asked what he likes about Elba, Adcock said, "I like the small town environment." He is married to Shey Adcock, and they have one daughter, Faith.

In his spare time, Mr. Adcock likes to deal with anything related to automobiles such as hot rods and racing. He also likes to go boating and water skiing, and he is the praise team leader at his church.

"My experiences in hot rodding, racing, and restoring and repairing automobiles, as a job and a hobby, have been very rewarding," said Adcock. "I am thankful for the opportunity to share my passion for automobiles with others."

As part of the Career/Technology Education team at EHS, Adcock influences many students and helps them learn real-life applications for the knowledge they gain in school.

Elba High School welcomes German exchange student

by Richi Singletary

This year, Elba High School is honored with the privilege of hosting an exchange student, Jessica Verfuert.

Verfuert is a 16-year-old junior and a citizen of Germany. She came to the United States to learn about the country and experience the culture. She also came to learn better English.

While in Elba, Verfuert is living with Mr. and Mrs. Ricky Mulaz, who chose to have her come live with them.

Some of the things Verfuert likes about Elba are the people, the school and watching Elba Tiger football. She likes to play volleyball, ride horses and

experience the difference they can make through volunteer service projects and expand their social networks.

The girls were selected through a rigorous process during which several aspects of their lives were evaluated. Each applicant turned in a copy of her transcript which proves high academic achievement, an application with evidence of

leadership responsibilities and two letters of recommendation confirming good character. They were also required to submit an essay demonstrating understanding of and responsibilities of leadership, among other things.

Applicants came from all over Coffee County, and these girls are commended for their success.

On behalf of the community, the EHS faculty and staff welcome Jessica to Elba and look forward to her contributions to the area.

Verfuert said she has noticed that even though many things about the United States are the same as her home country, Americans eat out and travel more than people do in Germany.

Verfuert said she has noticed that even though many things about the United States are the same as her home country, Americans eat out and travel more than people do in Germany.

Five Elba High students chosen for 2008-09 Coffee County Youth Leadership Program

Elba High School announces that five of its top students have been selected to be a part of the Coffee County Youth Leadership Program (CCYLP).

Taylor Creel, Lindsay McClung, Emily Miller, Kayla Rials and Brittany Whitehead were selected for this honor. All five are members of the junior class at Elba High School.

CCYLP is designed to prepare high school students who have demonstrated leadership potential to take active leadership roles in improving their homes, schools and communities. The program encourages students to recognize and develop their self-discipline, self-respect and leadership potential.

CCYLP teaches leadership and problem-solving skills that will foster an open-minded, non-violent approach to solutions. It provides students with a greater understanding of current issues, and it exposes students to resources available in the community and state. It also provides students with opportunities to

Elba graduate named to Freshman Forum at Huntingdon College

The Freshman Forum at Huntingdon College is the group of students who serve as leaders for the freshman class.

The purpose of the group is to serve as catalysts connecting the class to the rest of the college and making the class, as a whole, more active on campus. Up to 20 first-year students are

selected to serve on the Freshman Forum by the Office of Student Life through an application and interview process.

The Freshman Forum hosts the college's annual haunted house, as well as other social and service projects.

The members of the Class of 2012 who have been selected to the Freshman Forum by the staff of the Office of Student Life include Ashton Rodriguez, a history major from

Coffee County BOE accepting proposals

The Coffee County Board of Education is accepting proposals from community non-profit agencies to provide at-risk programs and/or services to the youth of the school system for the 2008-2009 school year.

Applications may be picked up at the Coffee County Board of Education, 400 Reddick Hill Road, Elba, AL 36323, Monday-Friday between 8 a.m. - 3:30 p.m. Applications may be requested to be mailed by calling 334-897-5016. Requests may be faxed to 334-897-6207.

The deadline for applications is Wednesday, Oct. 1.

SUPPORT OUR YOUTH, EDUCATION AND SCHOOLS!

It's About Understanding

I've lived in Coffee County's District 1 my entire life. I know what it's like to run barefoot through the fields and play under an old shade tree while my grandmother shelled peas. I understand our County Schools because I graduated from there, and God willing, so will my children. My wife also graduated from Coffee County's Schools. Our children are fourth-generation students in this School System. We've invested a lot in our Schools, and continue to do so each day we send our children there. My family understands Coffee County Schools from inside, and I want to bring that understanding to represent you on Coffee County's Board of Education.

I understand what it's like to be a concerned parent. My wife and I devote our lives to our own children, and we know what it's like to want only the best for them. I want to bring that compassionate, concerned spirit to District One's School Board seat, and to represent the parents' concerns in every meeting to the best of my ability.

I understand what it's like to face uncertain times as a teacher, because I serve as a teacher in a public school setting everyday. I want to speak for school employees' concerns on the School Board, because I understand the experiences you have each day.

I want to bring my experience as a teacher, my love as a parent, and my concern as a life-long resident of District One to the Coffee County Board of Education. I respect our parents and teachers for the job they both do in raising our children, and I would count it an honor to represent you. With your support, and with God's help, we can make this dream a reality on November 4.

When all else is said and done, it comes down to understanding. I understand that this is really your position, and I come before you humbly asking for your consideration. I want to represent you, and you, the voters of District One, can make that happen. Your prayers and support are greatly appreciated, and my door is always open to listen to your thoughts anytime.

Because roots run deep in Coffee County... and our children deserve to be represented by someone who understands them.

New Brockton High School's FFA Chapter selected as a "top five" chapter in the state

The New Brockton High School FFA Chapter recently was selected as one of the Top Five chapters in Alabama in the National Chapter Award program.

The New Brockton FFA Chapter was selected for its outstanding student, chapter and community activities conducted throughout the year. The chapter members have been involved to attend the National FFA Convention in October.

The National FFA Convention in Indianapolis, Ind., will be where chapter members will be recognized for the honor. The National FFA Chapter Award program recognizes FFA chapters for developing and conducting a detailed program of activities.

Each activity provides opportunities for members to excel in one of three areas: student, chapter or community development. The FFA is a national youth organization of 490,017 student members who

New Brockton High School's past president Bethany Lott is shown with the National FFA Chapter Award banner at the State FFA Convention held in Auburn. This is the eighth year that New Brockton FFA has been recognized as one of the top five chapters in the state.

Depression in the Elderly

Depression in the elderly is very common, although it is not a normal part of aging. Late-life depression affects about 6 million Americans age 65 and older, but only 10% receive treatment for depression. This is likely because the symptoms of depression in the elderly are often confused with the effects of multiple illnesses and the medicines used to treat them.

Depression in later life frequently coexists with other medical illnesses and disabilities. In addition, advancing age is often accompanied by loss of key social support systems due to the death of a spouse or siblings, retirement and/or relocation of residence. Because of their change in circumstances and the fact that they're expected to slow down, doctors and family may miss the diagnosis of depression in elderly people, delaying effective treatment. As a result, many seniors find themselves having to cope with symptoms that could otherwise be easily treated.

Depression tends to last longer in elderly adults. It also doubles their risk to develop cardiac diseases and increases their risk of death from illness, while reducing their ability to rehabilitate. Studies of nursing home patients with physical illnesses have shown that the presence of depression substantially increased the likelihood of death from those illnesses.

Depression also has been associated with increased risk of death following a heart attack. For that reason, making sure that an elderly person you are concerned about is evaluated and treated is important, even if the depression is mild. Depression in the elderly is more likely to lead to suicide. The risk of suicide is a serious concern among elderly patients with depression.

Factors that increase the risk of depression in the elderly include: Being female; unmarried (especially if widowed); stressful life events; and lack of a supportive social network. Having physical conditions like stroke, hypertension, atrial fibrillation, diabetes, cancer and dementia further increases that risk. While depression may be an effect of certain health problems, it can also increase a person's risk of developing other illnesses primarily those affecting the immune system, like infections.

The following risk factors for depression are often seen in the elderly:

- Certain medicines or combination of medicines
- Living alone, social isolation
- Recent bereavement
- Presence of chronic or severe pain
- Damage to body image from amputation, cancer surgery, or heart attack
- Fear of death
- Family history of major depressive disorder
- Past suicide attempts
- Substance abuse

Persons who develop their first depression in old age are very likely to have very small abnormal areas seen on head imagery that indicate tiny spots in the brain that may not be receiving adequate blood flow. Consequent chemical changes in these cells may enhance the likelihood of depression, apart from any life stress.

The stigma attached to mental illness and psychiatric treatment is even more powerful among the elderly and is often shared by members of the patient's family, friends, and neighbors. This stigma can keep elderly patients from seeking treatment. In addition, depressed older people may not report their depression because they believe there is no hope for help.

Elderly people may also not be willing to take their medicines because of side effects or cost. In addition, having certain other illnesses at the same time as depression can interfere with the effectiveness of antidepressant medicines. Alcoholism and abuse of other substances may interfere with effective treatment, and unhappy life events including the death of family or friends, poverty, and isolation may also affect the patient's motivation to continue with treatment.

VIEWS FROM...

THE PRESSBOX

BY RICKY MULARZ, SPORTS EDITOR

The Mularz girls enjoyed a very different weekend as Melanie accompanied her sorority sisters to the beach and Melissa simply stayed in the apartment and baked a cake. The trip to the beach had been postponed by one of the hurricanes that blew through the Gulf and was a good getaway, but I am like Melissa in that I would rather just stay home, bake a cake and get some much needed rest.

Not a good week for the Black and Gold

It simply was not a good week for the Black and Gold of Elba High as the Elba Tigers lost to previously winless G.W. Long 26-21 and watched their dreams of a perfect season and a region crown turn into a nightmare. The Tigers were without the services of three starters in the game due to injuries and lost two more starters during the course of the game, and by the end of the fourth quarter were really only a shell of the team that had rolled past its three season-opening opponents and averaged almost 40 points a game. I know that injuries are just a part of the game and all teams suffer through them during the course of a season. However, the Tigers didn't have a lot of depth when the season began and now has none.

As for the loss to G.W. Long, the Rebels are to be commended for their effort and for being able to snap their 16-game losing. The Rebels had a very good game plan and carried it out for all four quarters, and the result was maybe one of the biggest wins in the school's history. As for Elba, it was simply one of those nights when nothing goes right. The Tigers recovered a fumble on the opening kickoff inside the Long 20-yardline only to have to kick-off again due to an inadvertent whistle by an official, lost a fumble at the Long 6-yardline heading in for a possible touchdown, lost two fumbles that set up a pair of Long touchdowns, was stopped inches short inside the Long 5-yardline on a key fourth down completion and suffered an interception on a pass that appeared to hit the ground well in front of the defender. It is true the Tigers allowed lots of yardage on the ground and got pushed around up front. However, looking back it was just a game in which nothing went right and one that Long was destined to win.

Brantley carries banner for area teams

The Brantley Bulldogs carried the victory banner for the teams in the area as the "Dogs were the only team to bring home a win. Here's a quick look back at week four results...

*** Brantley (4-0) jumped out to a 28-0 first quarter lead and coasted in with a 51-14 romp past Arifton. The Bulldogs dominated the Purple Cats from the opening whistle to the final horn and made it clear that after 45 straight region wins they are still very much the team to beat in region play.

*** New Brockton (2-2) dropped its second straight region contest in a 41-7 loss to Cottonwood and all of the sudden it looks like the Gamecocks will have their backs to the wall when region wars resume next week. The Gamecocks had problems with the speed of the Cottonwood backs and got burned in the secondary, which proved to be a fatal flaw as they lost for the second straight week. *** Zion Chapel (0-4) didn't enjoy the long bus ride to Orrville of the long ride back home after being flattened by the undefeated Bears 58-8. The Rebels helped the Bears with turnovers and were simply outmatched, but never quit fighting and scored a touchdown late in the game to avoid being shut out. Maybe the Rebels will get a break soon and that will be the spark they need in the second half of the season.

*** Kinston (0-4) saw its losing streak reach 19 games with a wild 54-26 setback to Florala. The Bulldogs actually led early in the game and rolled up almost 400 yards of offense in the loss, which should give the players and coaches a positive to point to as the season continues. Sometimes you have to believe something before it can happen and the offensive spark could help in that department.

Week four filled with action

Week four of the high school football season is now in the books and it was another interesting week with more than its share of surprises. Some of the biggest stories included Barbour County going 3-1 for the first time ever in football by knocking off Houston County 14-0, R.C. Hatch winning three games for the first time ever in football by defeating Highland Home 20-6, Slocomb moving to 3-0 in region play after upsetting Pike County 14-6 in Brundidge, and of course G.W. Long snapping its 16-game losing streak in a 26-21 win over previously undefeated and 10th ranked Elba.

Some other results of note included Daleville moving to 4-0 with a 34-18 win over Abbeville, Geneva County moving to 3-0 in region play with a 28-14 win over Providence Christian, Houston Academy remaining unbeaten in region play with a 36-0 win over Samson, Luverne going to 3-0 in region play with a 68-12 win over Calhoun, McKenzie going to 4-0 with a 35-7 win over Pleasant Home, Opp moving to 3-0 in the region with a 38-10 win over St. James, Prattville getting its third straight shutout with a 31-0 win over Wetumpka, Straughn remaining undefeated with a 40-20 win over Bayside and Andalusia falling to 1-3 with a big 53-20 loss to Jackson. Things are never boring in high school sports.

For what it is worth

*** It wasn't the best of weekends for the college teams in the state as Auburn lost late a home to LSU 26-21 and Troy lost on the road to Ohio State 28-10, in games both teams felt they should have won. Alabama did post a lopsided 49-14 win over Arkansas in a game in which the score is a little deceiving, but the Tide fans were whooping it up and let the Hog fans know who had won when the final horn sounded.

*** The Major League Baseball season winded down with the Tampa Bay Rays and Chicago Cubs being the early fan favorites to meet in a dream World Series. In the American League the Angels are still the best team no one knows anything about and over in the National League I too have to lean toward the Cubs. Hey, the post-season is what it is all about and if fun to watch, even in the middle of football season.

*** The Elba youth football teams posted two wins in three games last weekend against a very talented group of youngsters from Luverne. The Termites Tigers posted a 22-0 win and the Pee

Wee Tigers claimed a 14-0 win, while the Midget Tigers had an off night and lost 38-8. The Termites and Pee Wee Tigers are both 3-0 at the midway point of the season, while the Midget Tigers are 1-2 and have some work to do to get back to the .500 mark. Support these youngsters as they take the field and compete each Saturday night.

*** In closing.... Jetey Wise had some big games against Pike County both as a player and coach at Elba High, but last week for on the Slocomb sideline as the Red Top's defensive coordinator and got to celebrate a 14-6 win over the seventh-ranked Bulldogs. Elba and Pike County were always huge rivals over the years, and even though Coach Wise now wears red and white I know the win was more than a little special. Good job Coach.

Polish Prognosticator plods along

Ye Ole Polish Prognosticator was a little late dropping by over the weekend and was still shaking his head over Elba's loss to previously winless G.W. Long. He said the players need to remember that every week begins a new season and that the score is always 0-0 when they kick it off. I changed the subject and reminded the local guessper that he hit on 36 of 44 picks last week to move to 113-29 on the season, and then opened up this week's picks. Here goes...

ELBA VS. GENEVA

The Pea River felines will load up the raft for a trip down river this week and plan to stop at a site known for having big 'ole black cats that are always looking to pounce on unsuspecting visitors. If the felines are still thinking about last week they could get run back in the river, and no matter what it should be a true cat fight on the banks of the Pea.
GENEVA 27 ELBA 21

NEW BROCKTON VS. ARITON

The roosters from over near the by-pass lost more than just a few feathers last week in trying to escape from some hungry Bears that dropped in for supper, and this week will have to sharpen their spurs to prevent more of the same when some crazy colored kitties take the field looking to take down the yard birds. More feathers will be flying, but the guess here is...
NEW BROCKTON 17 ARITON 15

ZION CHAPEL VS. KINSTON

The troops from up at Fort Kasch lost more than just a little sleep last week in their hike to West Alabama and this week will be looking to hang up a victory banner when they host a litter of pups from down near the county line. The pups learned how to bark last

week and a couple may have grown some teeth. So, the troops better have their guns loaded or the banner could head back down the highway.
ZION CHAPEL 32 KINSTON 28

BRANTLEY VS. HIGHLAND HOME

Those big 'ole dogs from across the river will head up the road this week and have plans for a picnic at an airport somewhere near the county line. In years past the dogs had to keep an eye out for some low flying bombers when they made the trip, but this year the airport is all but shut down and the dogs should have a fun time and enjoy the trip.

Friday against Geneva

Elba Tigers expect tough road battle

The Elba Tigers will be looking to get back on track Friday night when they travel to Geneva to battle the 3A Geneva Panthers in the 53rd meeting between the long time football rivals. Elba's record is 1-3 and Geneva has won the last five meetings and has been dominant in those five games, winning by an average score of 39-12.

"Geneva was expected to be the team to beat in its region prior to the season," said Elba's Coach Scott Rials, "but had a few injuries early on that took their toll and have really struggled the past three weeks. This week is supposed to be the week Geneva gets back to full strength and if that is the case we will catch them healthy for the first time since a season opening win over Rehoboth. Geneva always has a solid team and we expect another very tough game Friday night."

The Panthers opened the season with a solid 28-20 win over 5A Rehoboth, but lost to Daleville 29-14 in week two, sneaked past Abbeville 20-19 the following week and last week was shocked by Dale County 18-13.

"Geneva is an option team on offense and the past two weeks has been slowed down

and keep on winning. That's the challenge for this week and one that we will all meet head on."

"If we hope to be successful on offense this week we can't turn the ball over and have to score when we get the chances," said Rials. "We have turned the ball over eight times in the last two games, including six times last week, and twice last week failed score after moving the ball inside our opponents' five-yardline. We know we need to score points to win and this week we have to eliminate our mistakes and drive the football and reach the endzone. On defense we have got to tackle better and be physical up front. The last two games our opponents have averaged almost ten yards a carry running the football, and most

of that yardage has come between the tackles. It is no secret we aren't the biggest team around. However, we have got to play hard and be physical to control the line of scrimmage. Geneva will be the best team we have played this season and has the weapons to score a lot of points and the size and strength to dominate the game at the line of scrimmage. It will take a maximum effort from the coaches and players to bring home a win this week, but we are going down to Geneva looking to win and the players have to believe they can win despite the injuries. It ain't going to be easy."

Kickoff is set for 7:00 PM at Hugh Owens Stadium, on the campus of Geneva High School.

In 26-21 region loss

Tiger turnovers prove fatal

By Ricky Mularz, Sports Editor
Photos by Mike Capps

The Elba Tigers saw their dreams of an undefeated season turn into a nightmare Friday night when they were upset by the G.W. Long Rebels 26-21, in a key region clash at Tiger Stadium, in Elba.

The loss left Elba with a 3-1 record, 2-1 in region play, while G.W. Long improved its record to 1-3 with the win and snapped its 16-game losing streak.

Elba appeared to get an early break with a fumble recovery on the opening kickoff at the G.W. Long 20-yardline. However, an inadvertent whistle wiped out the recovery and resulted in another kickoff that the Rebels returned to their own 27-yardline.

Elba's Gavin Respress put the Tigers right back in business at the G.W. Long 35-yardline with a 30-yard punt return and the Tigers quickly moved to the Rebel 19 on a 16-yard scamper by Michael Lindsey. However, two plays later Elba gave the ball back on a fumble inside the five and the Tigers came away empty-handed.

Elba began its next possession at the G.W. Long 39-yardline following a Rebel punt and this time cashed in on the excellent field-position and got on the scoreboard. Michael Lindsey gained 10 yards on one carry during the short scoring drive and completed two passes, the second of which went to Gavin Respress for a 16-yard touchdown. Richard Cooks booted the extra-point and with 2:55 left in the first quarter the Tigers were on top 7-0.

G.W. Long was forced to punt on its next possession, but the Rebels regained possession at the Elba 45-yardline after a Tiger fumble and seven plays later were in the endzone. Dewayne Whigham scored the touchdown on a 5-yard run and also added the extra-point as the Rebels pulled even at 7-7 with 8:46 remaining in the second quarter.

Elba's next four possessions ended in one punt, one fumble and two pass interceptions and G.W. Long took advantage of the Tigers' fifth turnover of the game to cash in the break and grab a 13-7 lead with 7:57 left in the third quarter.

The Tigers' offense came to life following the Rebel score and covered 70 yards in just three plays as Elba regained the lead. A 61-yard sprint down the sidelines by Michael Lindsey sparked the scoring drive, and it was Lindsey that scored the touchdown on a 3-yard dash up the middle. Richard Cooks kicked the extra-point and with 6:56 remaining in the third the Rebels were back on top 14-13.

Elba got a rare break on the game's next possession when the Tigers' Keenan Phillips picked off a Rebel pass and returned the interception to the G.W. Long 5-yardline. Michael Lindsey tossed a 4-yard touchdown pass to Gavin Respress three plays later, and after Richard Cooks added the extra-point Elba owned a 21-13 lead with 3:31 remaining in the third quarter.

G.W. Long's Dewayne Whigham returned the ensuing kickoff 89 yards to set the Rebels up at the Elba 2-yardline, and the Rebels scored one play later as they chopped the Elba lead to 21-19 with 2:31 still left in the wild third quarter.

Elba began its ensuing possession at its own 42-yardline and began a march toward the G.W. Long endzone that would reach a first down at the Rebel 13. Carlos Matias gained 37 yards on 5 carries to lead the

Elba Tiger linebacker Carlos Matias (12) jars the football loose from a G.W. Long runner with a big hit in second half action. The Tigers will be looking to bounce back Friday night when they travel to Geneva to meet the Geneva Panthers.

A member of the Elba Marching Tiger Band performs a trumpet solo during halftime festivities Friday night at Tiger Stadium.

Tigers down the field. However, the drive stalled and on a fourth down and 8 a pass from Michael Lindsey to Gavin Respress was marked inches short of the chains as Elba turned the ball over on downs.

Elba was still on top 21-19 with 4:03 remaining and had the Rebels backed up on their own 37-yardline, but G.W. Long's Dewayne Whigham took a handoff on second down and raced untouched 63 yards for a touchdown to put the Rebels back on top. The extra-point was successful, and with 3:43 remaining G.W. Long owned a shocking 26-21 lead over the stunned Tigers and their fans.

Elba began the ensuing possession at its own 45-yardline and after a 10-yard run by Michael Lindsey and a 12-yard scamper by Gunnar McCollough had a first down at the G.W. Long 33. A fumble slowed the drive; however, and when a fourth down pass fell incomplete the Rebels took over and ran out the clock to pull off the huge early-season upset over the previously undefeated Tigers 26-21.

Michael Lindsey gained 123 yards on 12 carries and scored 1 touchdown and completed 5 of

Rebels roughed up by unbeaten Bears 58-8

Statistics by Chris Winters
Photos by Matt Winters

The Zion Chapel Rebels made the long ride to Orrville Friday night to battle the undefeated Keith Bears and never had a chance as the Bears scored early and often to hand the Rebels a lopsided 58-8 region loss.

It didn't take Keith long to welcome the troops from Jack to the Bears' den as on the first play from scrimmage Jataivus Turner raced 63 yards up the middle for the initial touchdown of the night. The two-point try was successful and before many fans could even settle into their seats the Bears owned an 8-0 lead.

Keith regained possession at the Zion Chapel 34-yardline after a short punt and once again reached the endzone. The scoring play came on fourth down and ten when Gerald Matthews hooked up with Clyde Moise on a 23-yard touchdown toss. The two-point conversion was successful and with 5:49 remaining in the first quarter the Bears owned a 16-0 advantage.

The next three offensive series failed to produce points. However, Keith began a drive at its 43-yardline late in the first quarter and this time scored in three plays. The touchdown came on third and ten when Dwan Lewis took a handoff on a double reverse and raced 57 yards into the endzone. The two-point try failed, but the Bears were in command with a 22-0

lead.

Zion Chapel showed signs of life offensively on its ensuing possession and moved the chains as Corey Carter gained 11 yards on two carries and Lance Walden connected with Aaron Grant on a 13-yard completion. The Rebels remained in the air after reaching midfield and appeared ready to get on the scoreboard, but were turned away by a pass interception by Michael Giles at the Keith 28-yardline.

Dwan Lewis got the call on the next play for the Bears and set sails on a 72-yard touchdown dash, and while the two-point try failed, it made little difference as with 8:13 left in the second quarter Keith was on top 28-0.

The Rebels' Daniel Powell returned the ensuing kickoff 13 yards to set the Rebels up at their own 40-yardline, and Zion Chapel responded by going on an 11-play drive that would reach the 35-yardline. The drive stalled at the 35, however, as Keith's defense stiffened and turned back the scoring threat and carried the 28-0 lead in at halftime.

Keith came back out ready to party in the second half and scored on its first four possessions, with two scores coming after Rebel turnovers as the Bears went ahead 58-0 with 11:16 remaining in the fourth quarter.

Daniel Powell returned the final Bears kickoff 37 yards to set the Rebels up at the Zion

A Zion Chapel defender makes a big hit on a Keith runner during action Friday night. The Rebels slipped to 0-4 on the season with a 58-8 loss to the undefeated Keith Bears.

Chapel 47-yardline and the Rebels avoided the shutout as they marched 53 yards in six plays to get on the scoreboard. Corey Carter gained 22 yards on 3 carries, and Garrett Stinson added 26 yards on 2 carries against the Keith defense as the Rebels marched down the field, with Carter scoring the touchdown on a 1-yard blast up the middle. The two-point conversion was successful and with 8:58 left on the clock Zion Chapel was on the scoreboard,

but on the short end of a 58-8 score.

Garrett Stinson gained 56 yards on 13 carries to lead the Zion Chapel offense, while Corey Carter added 54 yards on 13 carries and Lance Walden completed 5 of 13 passes for 41 yards.

Dwan Lewis gained 179 yards on 8 carries and scored 4 touchdowns to lead Keith, while Jataivus Turner added 68 yards on 3 carries and scored 1 touchdown.

Bulldogs fall in wild 54-26 shootout to Florala

Statistics and photos by Wesley Hunko

The Kinston Bulldogs saw their victory drought continue Friday night with a 54-26 loss to the Florala Wildcats, in Florala. The Bulldogs came out ready to play in the region contest and surprised the Wildcats by jumping out to an early lead. Taylor Davis scored the game's first touchdown on a 1-yard run, and while the two-point try failed, Kinston was ahead 6-0 with 5:33 remaining in the first quarter.

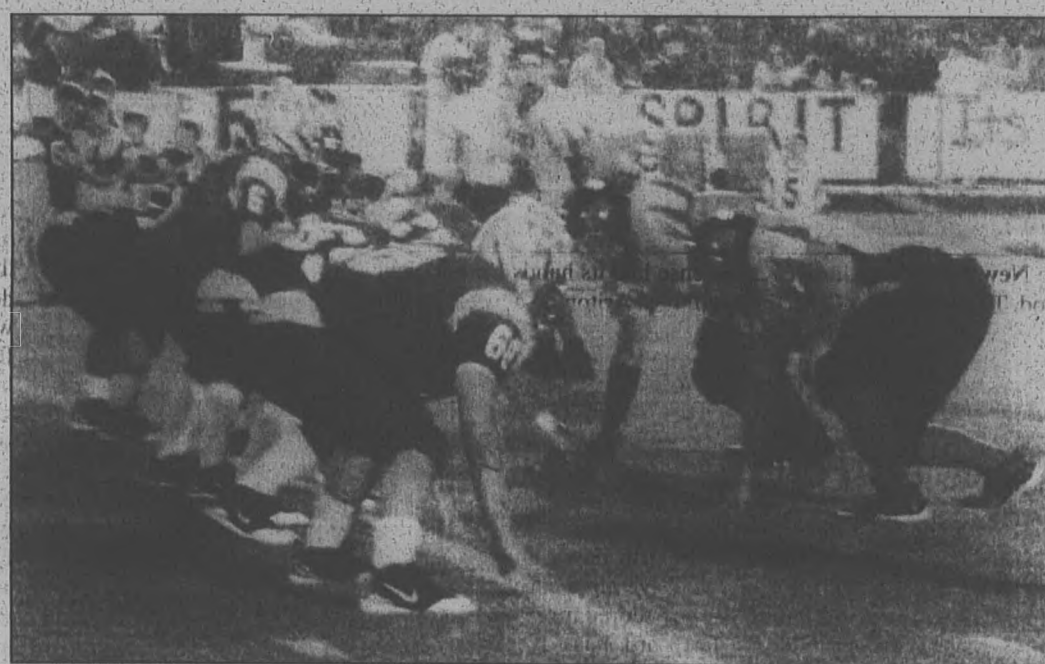

Florala wasn't behind for long; however, as on the Wildcats first play from scrimmage Quarve Troublefield broke loose and raced 67 yards for a touchdown. The extra-point failed, but with 5:06 remaining in the opening quarter the region rivals were tied at 6-6 and the fun was just beginning!

Kinston missed a chance to regain the lead early in the second quarter when a 35-yard field-goal attempt by Wesley Burton missed its target. However, Florala didn't miss out on its next scoring chance as the Wildcats grabbed 12-6 lead with 8:58 remaining in the quarter on an 8-yard dash.

Florala's Quarve Troublefield broke loose on a 40-yard run during the second quarter and Zac Fleming passed to Eric Bess for the two-point conversion as the Wildcats' lead went to 20-6, and Troublefield added a touchdown on a 3-yard run with 1:43 left in the half as 'Cats lead ballooned to 26-6.

Kinston refused to quit and bounced right back to cut into the Florala lead as the Bulldogs needed only 41-seconds to reach the endzone. Erick Odom scored the touchdown on a 10-yard run, and Ludger Boswell ran in the two-point try as Kinston pulled within 26-14 with 1:02 still left in the second quarter.

The momentum didn't stay on the Kinston sidelines for long, as Florala also played "beat the clock" and scored with only seconds remaining to extend its advantage. The Wildcats scored came with 15-seconds remaining in the half on a 35-yard run by Dustin Hinson, and Shane Taunton kicked the

LET'S GET IT ON... The Kinston Bulldog defense is ready for the snap at Friday night's region encounter against the Florala Wildcats. This week the Bulldogs will travel to Zion Chapel in a cross-county clash.

extra-point as Florala went in at intermission with a 33-14 lead over the Bulldogs.

Florala's Zac Fleming tossed a 34-yard touchdown pass to Shane Taunton with 7:20 remaining in the third quarter as the Wildcats continued their offensive assault, and Taunton again added the extra-point as Florala's lead went to 40-14.

Kinston answered the Wildcat score on its very next play from scrimmage as Taylor Davis broke through a hole and raced 65 yards for a touchdown. The extra-point failed, but the Bulldogs were still alive and kicking and trailed 40-20 with 7:06 left in the third quarter.

Florala took the ensuing kickoff and once again headed toward the endzone. The Wildcats scored on a 9-yard run by Jorian Avan, and Shane Taunton kicked the extra-point as the 'Cats lead went to 47-20 with 5:02 remaining in the action packed third quarter.

The third quarter highlights were far from over; however, as Kinston marched right back down the field and scored on a 13-yard run by Taylor Davis. The extra-point try failed, but with 2:51 remaining in the quarter Kinston had cut the Florala lead to 47-26.

Florala added a touchdown early in the fourth quarter on a 28-yard pass from Zac Fleming

to Dustin Hinson, and Shane Taunton put an end to the wild night of scoring as he drilled the extra-point to give Florala the win by the final score of 54-26.

Taylor Davis gained 195 yards rushing to lead the Kinston offense, while JR. Fleming added 86 yards on the ground and Ludger Boswell ran for 81 yards. Quarve Troublefield gained 159 yards to lead Florala.

Erick Odom led the Kinston defense with 7 tackles, while Johnathon Golden added 6 stops and Jake Kelley had 5.

Brantley Bulldogs score early and often in lopsided 51-14 romp past Purple Cats

By Greg Brunson
Photos by Janet Brunson

The Brantley Bulldogs visited the Arton Purple Cats Friday night and turned in another dominating performance as they raced out to a 28-0 first quarter lead and never looked back to claim a big 51-14 region win.

It only took two plays for the Bulldogs to find their way to the endzone, with the early score coming on a 43-yard run around the left end by Anthony Gulley. Britt Barnes booted the extra-point and with only 25-seconds gone in the first quarter Brantley was already in command with a 7-0 lead.

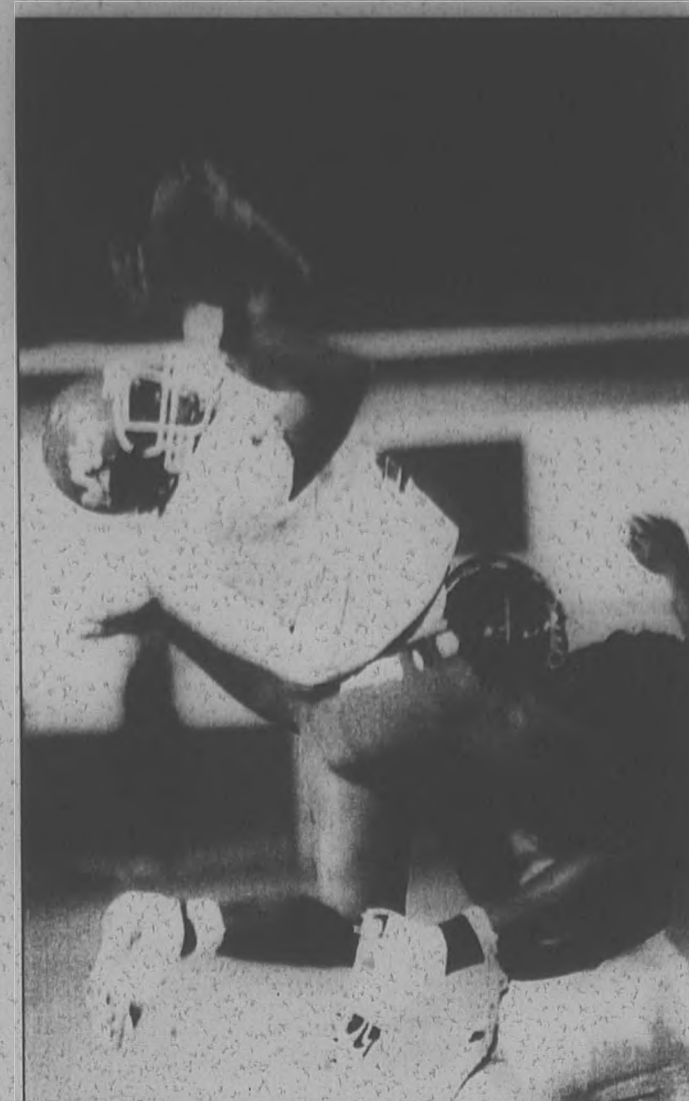

The second Brantley possession began at its own 26-yardline, and this time it took the Bulldogs 9 plays to cover the 74 yards to paydirt. Chase Hall connected with Tory Upshaw on a 16-yard touchdown toss on a key fourth down play, and Barnes drilled the extra-point as the Bulldogs lead went to 14-0 with 5:37 remaining in the first quarter.

A 60-yard punt by Arton's Bradley Deal forced Brantley to begin its next possession at its own 20-yardline. The made no difference to the Bulldogs; however, as on the fourth play of the series Anthony Gulley took a handoff, broke a tackle at the 30 and raced 69 yards into the endzone. Barnes kicked the extra-point and with 1:20 remaining in the first quarter the Bulldogs' lead was up to 21-0.

Brantley's Cameron Wright set the Bulldogs up at the Arton 46-yardline in the closing minute of the quarter with a fumble recovery, and Brantley added insult to injury when Chase Hall found Anthony Gulley behind the Purple Cat secondary and delivered a strike that resulted in a 46-yard touchdown toss. Barnes extra-point was true and with :33 left in the first quarter Brantley owned a big 28-0 advantage over the stunned Purple Cats and their supporters.

After an exchange of punts early in the second quarter the teams swapped turnovers. Brantley's Chase Hall intercepted a Cole Harden pass and returned it 40 yards for an apparent touchdown, only to see the score nullified by a holding penalty. The Bulldogs gave the ball right back when on their next snap Arton's Brandon Till recovered a Bulldog fumble. Arton came to life following the turnover and drove 70 yards in 11 plays to get on the scoreboard. Craig Sanders capped the long drive with a 1-yard plunge, while a bad snap on the extra-point try ended the drive and with 4:24 left in the second quarter Brantley's lead was down to 28-6.

Brantley had one more scoring opportunity before the end of the half after a fumble recovery by the Bulldogs' De-

A Brantley Bulldog receiver pulls in a pass with an acrobatic reception in last week's 51-14 win over Arton. The win was the 45th straight region win for the Bulldogs.

vontay Porter at the Arton 5-yardline. Stephen Walker powered over on the next play for an apparent touchdown. However, a late penalty flag nullified the score, and the scoring opportunity came on the very next snap when the Purple Cats' Keshun Leggett picked off a Bulldog pass in the endzone.

Brantley added two points to its lead early in the second half and moved ahead 30-6 when Arton snapped the ball out of the endzone for a safety, and it didn't take the Bulldogs long to extend that lead and regain command of the contest.

A 22-yard return by Adam Hill on the free kick following the safety set the Bulldogs up at the Arton 40-yardline and seven running plays later Brantley was back in the endzone. Stephen Walker bulled over from 6-yard out to score the touchdown, and Britt Barnes booted the extra-point as the Bulldogs' lead went to 37-6 with 6:26 remaining in the quarter.

Arton took the ensuing kickoff and marched 69 yards in 12 plays to add to its point total. The Purple Cat touchdown came on a 10-yard pass from Cole Harden to Taylor Stephens, and Craig Sanders ran in the two-point conversion as Brantley saw its lead trimmed to 37-14 with :19 remaining in the third quarter. Another exchange of turnovers highlighted the next two offensive series as Arton's Eli Usry recovered a Brantley fumble at the Arton 5-yardline,

Augie Grill takes checkered flag in Cottonmouth 100 at SAS at Kinston

By Mark Khism

As usual, well into Saturday's practice session for the Cottonmouth 100, the large hauler pulled into the infield at South Alabama Speedway.

After unloading, Augie Grill stepped into the cockpit and turned a few quick laps around the track and pulled back into the pits and put the car on jack stands. As usual, Grill was fast in qualifying, second only to David Hodges. But in the race, Grill had Hodges' number, taking the lead on lap 82 and taking his second Pro Late Model Viper Series win in a row.

Hodges not only set fast time, but drew a one for inversion, retaining the pole position. Grill drew a three, putting him behind Hodges for the start. Hodges grabbed the early lead with Grill following. Hodges built a comfortable lead over Grill in the early going. The battle for third was a close one with Andy Pugh, Bubba Pollard, DeWayne Middlebrooks, Brandon Johnson, and Ronnie Sanders running nose to tail. Grill was cruising

behind Hodges in the early going, but after a red flag on lap 36, Grill turned up the heat a notch.

Hodges was able to maintain the front spot as the race reached the half way mark. Grill was on his bumper, followed by Pollard, Middlebrooks, and Jeff Morgan. On the fiftieth lap, Sanders and Johnson got together in turn three. Although they didn't spin, both lost several positions and both pitted before returning to the race at the back of the pack.

Pollard joined the battle up front after the restart, although Hodges kept a tight hold on the top spot. Grill kept the pressure on Hodges and finally on lap 81 moved to the inside as the pair exited turn four. The leaders ran side by side until Grill completed the pass a lap later. With Hodges on the outside, Pollard followed Grill past the race long leader. Middlebrooks and Pugh completed the train the following lap. Grill pulled away from Pollard as the laps ran down.

ROOM TO RUN... Zion Chapel's Garrett Stinson (25) gets outside and finds room to run in last week's region clash with Keith. Friday night bragging rights will be on the line when the Rebels host Kinston in a cross-county shootout.

Cross-county shootouts highlight week five action away from region wars

The high school football season will take a week off from the region wars and for area teams it means a chance to renew old rivalries at the midway point in the ten-week regular season schedule. Here are previews of this week's area action:

Arton (2-2) at New Brockton (2-2)

Two teams looking to put an end to two-game losing streaks will clash Friday night at New Brockton when the New Brockton Gamecocks host the Arton Purple Cats. The meeting will be the 16th overall for the two rivals with Arton holding a slim 8-7 advantage, but New Brockton has won three of the last four contests and has been on a roll against their neighbors from Dale County. The Gamecocks opened the season with a bang and owned a 2-0 record after wins over Zion Chapel 31-6 and G.W. Long 27-26. However, the Gamecocks have scored only one touchdown in each of the past two weeks and watched their record slip to 2-2 with region losses to Houston Academy 21-7 and Cottonwood 41-7. Arton was expected to be one of the state's top 1A teams this season and was impressive early with wins over Headland 34-12 and Pleasant Home 40-8, but has been slowed by injuries in recent weeks and will bring a 2-2 record into the game after consecutive region losses to McKenzie 42-28 and Brantley 51-14. Both teams need a win to gain some momentum before heading back into region play and this should be one of the week's top contests.

Kinston (0-4) at Zion Chapel (0-4)

Something has to give Friday night when two teams still starving for a win collide at Green Memorial Stadium in Jack in the annual match-up between the Kinston Bulldogs and the Zion Chapel Rebels. The meeting will be the 34th all-time between the two county rivals, with Zion Chapel holding a 19-14 advantage and having won bragging rights each of the past four years. The Bulldogs will bring a 19-game losing streak into the cross-county clash and have allowed an average of over 52 points a game in losses to Red Level 38-0, Geneva County 67-0, Providence Christian 48-8, Florala 46-10 and Arton 54-14, and have rested starters in all four wins. Highland Home was expected to struggle this season after being hit hard by graduation, but no one expected the Squadron to be 0-4 at this point in the season with losses to Daleville 37-6, Keith 34-7, Reeltown 41-18 and R.C. Hatch 20-6. This one looks like a huge mismatch on paper, but county rivalries sometimes result in surprises and that makes it an interesting match-up.

Brantley (4-0) at Highland Home (0-4)

Two county rivals headed in different directions will clash Friday night when the Brantley Bulldogs put their unbeaten record on the line against the winless Highland Home Flying Squadron. The meeting will be the 51st all-time between the Crenshaw County rivals, and while Brantley leads the series 35-15, the last eight games have been split 4-4 and Highland Home won last season 30-21. The Bulldogs have been somewhat of a surprise this season in rolling to a 4-0 record and apparently haven't missed a beat. They have claimed wins over Luverne 21-7, Providence Christian 48-8, Florala 46-10 and Arton 54-14, and have rested starters in all four wins. Highland Home was expected to struggle this season after being hit hard by graduation, but no one expected the Squadron to be 0-4 at this point in the season with losses to Daleville 37-6, Keith 34-7, Reeltown 41-18 and R.C. Hatch 20-6. This one looks like a huge mismatch on paper, but county rivalries sometimes result in surprises and that makes it an interesting match-up.

CHAMBER BOARD MEMBER OF THE YEAR...The Chamber Board Member of the Year award was presented last Thursday evening, Sept. 18, to Eddie Vaughan (right) during the annual membership banquet of the Elba Chamber of Commerce. Presenting the award was Kaye Whitworth (left).

"SPIRIT OF ELBA" AWARD...The Elba Chamber of Commerce presented the "Spirit of Elba" Award posthumously this year to Jason Jordan during the annual membership banquet held last Thursday evening, Sept. 18. The Elba native was killed while serving his country in combat. Danny and Sandra Jordan (shown above) accepted the award on behalf of their son.

BUSINESS OF THE YEAR...The Business of the Year award was presented last Thursday evening, Sept. 18, to Just Folk Coffeehouse during the annual membership banquet of the Elba Chamber of Commerce. Accepting the award on behalf of Just Folk Coffeehouse was Mart Gray (right). He is shown above with Eddie Vaughan (left).

CHAMBER MEMBER OF THE YEAR...The Chamber Member of the Year award was presented last Thursday evening, Sept. 18, to the Elba Fire Department during the annual membership banquet of the Elba Chamber of Commerce. Eddie Vaughan (second from left) presented the award to Elba Fire Chief Danny Jordan (left). Several other Elba firefighters were in attendance for the presentation. They included: Josh Mack, Drew Parker, Kelly Shehee and Rory Vignola.

"Wiregrass Star"
contest set for
Nov. 8th in Elba

Preparations currently are underway for the first ever Foggy Bottom BBQ Bash and Arts & Crafts Festival to be held in Elba, Ala. The Elba Chamber of Commerce and City of Elba are sponsoring the event.

The Foggy Bottom BBQ Bash and Arts & Crafts Festival, a daylong event, will be held Saturday, Nov. 8, at Miller Memorial Stadium in downtown Elba. Gates will open at 10 a.m. Admission for the day is \$5 (children 12 and under admitted free).

"There will be plenty of activities throughout the day for the entire family," said Kaye Whitworth, executive director of the Elba Chamber of Commerce. "One event we are really looking forward to is our 'Wiregrass Star' vocal contest."

The "Wiregrass Star" competition is a singing contest open to anyone. There is an entry fee, and the winner will receive a \$500 cash prize. A panel of qualified judges will grade participants on the following: quality of performance, originality of performance, "star" quality, stage presence and how well the material reflects the selected music style.

The winner will be selected from performances held during the Foggy Bottom BBQ Bash event on Nov. 8th. According to Whitworth, there may be a need for a preliminary round prior to the Nov. 8th event depending upon the number of entries for the contest.

"Wiregrass Star" contest entry forms can be picked up at the Elba Chamber of Commerce office, located at 329 Putnam Street, or forms can be downloaded from the website: www.elbaalabama.net. The deadline to enter is Friday, Oct. 24th.

For more information about the Foggy Bottom BBQ Bash and Arts & Crafts Festival or the "Wiregrass Star" contest, contact the Elba Chamber of Commerce at (334) 897-3125. The Foggy Bottom BBQ Bash is a sanctioned event of the Florida BBQ Association.

Bryan Pharmacy opens in Elba

Bryan Pharmacy in Elba gains early endorsements

Bryan Pharmacy has convenient hours and the staff is courteous and helpful. They always have what I need and I rarely have to wait more than a few minutes to get my prescriptions. If I can't get to the pharmacy, they deliver the medications to my house. They always take the time to ensure that I am properly informed about the medication I was prescribed. I really appreciate the professionalism of Brett and his staff."

Brian & Marsha Free

The Southeast Alabama Gazette, is pleased to see Brett Bryan Pharmacy locate its new Pharmacy in the city of Elba, his hometown, and we urge all of our readers in Elba, to visit with him and give him the support he deserves.

Hillard & Ann Hamm, Publishers

I am proud to say I was Brett's first boss. He work his preceptorship time with us at Whitman Drug Co. and I was quick to see that he loved and related well with customers and coworkers. He fills prescriptions with confidence and privacy. He has good relations with all MDs and never hesitates to call in regards to a prescription or for a customer. I just wish I was younger for I would return to work and have him for my boss.

ibelle Oggs

I am so excited to be working in Elba again. I have seen many old customers and friends and hope to see many more of you real soon. I have enjoyed working at Bryan Pharmacy in Enterprise and I am looking forward to working in the new Elba store.

Pam Driggers

Bryan Pharmacy has met my prescription and OTC needs ever since Brett opened his store in Enterprise. My family and friends value his one on one service he gives to us. He is truly a pharmacist who treats you as a friend not a customer. I don't feel you will find a staff more caring and dedicated, they will go out of their way to help you save money and acquire what you need.

Best wishes in opening your new store. The town of Elba is Blessed to have you as their Pharmacist as I am.

Oneather (Peanut) Smedley

Going to Bryan Pharmacy is like visiting friends.

Gerald Nelson

Bryan Pharmacy is a caring and helpful pharmacy. I am so happy that Bryan Pharmacy has come to Elba.

Sharon Williams

The drive-thru window makes dropping off and picking up Rx's so easy and convenient.

Merlene Owens

It's nice to walk into a business with a hometown feel where they call you by name.

Katie Eddins

I love going to Brett's because I don't have to wait very long. Everyone is nice and friendly. I think everyone should go to Bryan Pharmacy because it's a nice place to go to.

Mary Louise Hornsby

Bryan Pharmacy is the fastest and friendliest in the county. Gary Gilson

I am so happy to have Bryan Pharmacy in Elba.

Joan Ward

The service at Bryan Pharmacy is outstanding.

Ed Compton

You can always depend on Bryan Pharmacy.

Charlotte Hobson

I've always been able to depend on Bryan Pharmacy for all my Rx needs.

Elba High School Class of 1998 to Hold 10-Year Reunion

The Elba High School Class of 1998 is planning a 10-year reunion for the weekend of October 17-18, 2008.

Reunion festivities will begin Friday, Oct. 17, with class members riding in the homecoming parade and will continue with class members sitting together at the homecoming football game. The reunion party will be held Saturday, Oct. 18, from 7:30-11:30 p.m. at the Elba Skating Rink.

Those interested in riding in the parade, sitting in reserved seating at the football game or attending the class party should RSVP to Anna Head Oggs by Wednesday, Oct. 10. Anna's contact information is as follows: email: headann@auburn.edu; cell phone: (334) 740-2123; office phone: (334) 844-2971; home phone (334) 826-6503.

Tickets purchased by Oct. 10 will be \$25 per person/\$45 per couple. Check or money order can be mailed to Andrea Carley Wood at the following address: 2315 Hwy 141, Elba, Alabama. Tickets at the door will be \$30 per person, cash only.

CCC

Worth gave his monthly activity report to commissioners for the sheriff's department. During the month of August, Whitworth said the sheriff's department received 1,125 civil papers and served 950. He also said the department received 138 warrants during the month and served 207.

Whitworth reported that the Coffee County Jail averaged 170 inmates per day during the month.

In his report to commissioners county engineer Randy Tindell said gasoline and diesel fuel has been hard to come by recently. However, he said the county has been able to get the needed fuel. It is just a "take what you can get" process whether it is regular, mid-grade or premium.

"I just wanted to make you aware of this," Tindell said to commissioners. "High gas is better than no gas."

During Monday's meeting, commissioners opened and approved several bids including those for the joint traffic stripe

annual bid, the annual bid for Prime (MC70), Emulsified Asphalt (CRS-2), Emulsified Asphalt (CRS-2) with Latex Rubber Additive, and annual bids for herbicide.

Commissioners also approved the annual bid for the cleaning of the courthouse building in Enterprise. This bid was awarded to RLC Contractors in the amount of \$30,392. The next meeting of the Coffee County Commission will be Monday, Oct. 13, at 9 a.m. in the community room of the county complex in New Brockton.

RC&D

(Continued from Page One)

Councils held 331 training sessions for environmental educators, brought new technology to 109 businesses, and conducted 165 workshops on agriculture, forestry, and wildlife.

"The RC&D Councils' partnerships with communities provide an invaluable avenue for improvement of not only natural resources but also education,

the local economy, and tourism and recreation," said Gary Kobylski, NRCS State Conservationist for Alabama. "The upcoming Energy Summit is a great example of how RC&D Councils work with communities to find solutions, and I encourage any citizens concerned with the current energy situation to attend this event."

CHAMBER

(Continued from Page One)

page and Elba Mayor James Grimes.

Board president Eddie Vaughan thanked the board members for their willingness to serve their community. He also recognized executive director Kaye Whitworth and administrative assistant Eva Medlock for their dedication to the Elba Chamber of Commerce.

Several annual awards were presented to include the Spirit of Elba award, Chamber Board Member of the Year, Chamber Member of the Year and Business of the Year (see page 13 for photos from the awards ceremony). But, the highlight of the evening was a celebration of the "Taste of Elba" as local food industry businesses shared items from their menu for the evening's meal.

Elba Elementary School music teacher and assistant band director Tony Hawthorne shared his musical talents with those attending last week's Elba Chamber of Commerce Banquet as he entertained the crowd with his soprano saxophone.
